SKCC EnviroWatch

Get fit and healthy, help the environment and save money. How?

It's easy really... Start walking or riding the bike instead of taking the car. In these times of convenience it can be a bit hard to change our ways, but with a little planning and thinking outside the 'norm' it might be just as easy to walk the kids to school or pop down to the shop or come to SKCC. Once you start you'll find it hard to stop. Go on...give it a go!

WIN WIN WIN

More great prizes are up for grabs this term for the winner of our **ISSUE 4** competition. A free course at SKCC, a 1Gb memory stick, a one month membership at Contours Altona North and this month we have a manicure at Ella Bache in Williamstown.

Now gentlemen - Contours is a female only gym; but don't worry, if you win you can transfer the membership to a lady in your life.
